Appendix C – October 2019 Project Update Meeting Materials

**C1: Meeting Presentation** 

### **Project Update Meetings**

- 5:30 to 7:30 p.m.; presentation at 6 p.m.
- Open house format
- Several information stations
  - Public outreach, including project handouts
  - Maps and detailed construction information by contract
  - Aesthetics information by county
  - Noise barrier information and maps

### The Finish Line is in Sight

- I-69 Section 6 is now I-69
   Finish Line
- New name, new look: same information
- Traffic, construction and project updates
- Same Facebook and Twitter pages

### **Project Overview**

- \$1.5 billion project, fully funded
- Martinsville to Indianapolis, including I-465
- Accelerated schedule, finishing three years early
- Opens to traffic in 2024
- Sixth and final section of I-69 connection between Evansville and Indianapolis

### **What to Expect: Travel Lanes**

- SR 39 to Smith Valley Rd.
  - 4 lanes, 2 in each direction
- Smith Valley Rd. to Southport Rd.
  - 6 lanes, 3 in each direction
- Southport Rd. to I-465
  - 8 lanes, 4 in each direction
- I-465 from I-70 to I-65
  - 8 lanes, 4 in each direction

### What to Expect: Safer, Faster Drive

- I-69 Finish Line will improve safety and reduce travel time
- Improvements expected to result in 1,300 fewer regional crashes each year
- Average 11-minute travel time savings from Martinsville to Indianapolis

### I-69 Finish Line: By the Numbers

- 26+ miles of new interstate highway
- 35+ miles of new local access roads
- 39 new bridges
- 35 existing bridges rehabilitated or replaced

### I-69 Finish Line: By the Numbers

- 14 traffic signals eliminated
  - 1 down, 13 to go
- 14 overpasses and underpasses constructed
- 10 interstate access points established

### **What's Happening Now**

- Offline improvements in Martinsville
- Real estate acquisition; 600+ parcels in process
- Tree clearing activities
- Demolition
- Noise barrier evaluations

### **What's Happening Now**

- Archaeological work
- Geotechnical surveys
- Utility coordination and relocation
- Aesthetics discussions by county
- Coordination with officials on maintenance-of-traffic

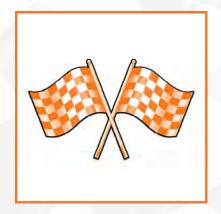

### **Construction Contract 1**

- · Local roads in Martinsville
  - Artesian Ave.
  - Cramertown Loop
- Grand Valley Blvd./South St. overpass
- Letting: December 2018
- Construction: 2019 and 2020

### **Construction Contract 2**

- I-69 from SR 39 to Morgan St.
- Expected Letting: Nov. 2019
- Construction: 2020, 2021 and 2022
- Interchanges
  - SR 39
  - Ohio St.
  - SR 44/SR 252

### **Construction Contract 3**

- Local access roads in Morgan County
- Expected Letting: Jan. 2020
- · Construction: 2020 and 2021
- Interchange
  - Henderson Ford Rd.

### **Construction Contract 4**

- I-69 from Morgan St. to Fairview Rd.
- Expected Letting: Fall 2020
- Construction: 2021, 2022, 2023 and 2024
- Interchanges
  - SR 144
  - · Smith Valley Rd.

### **Construction Contract 5**

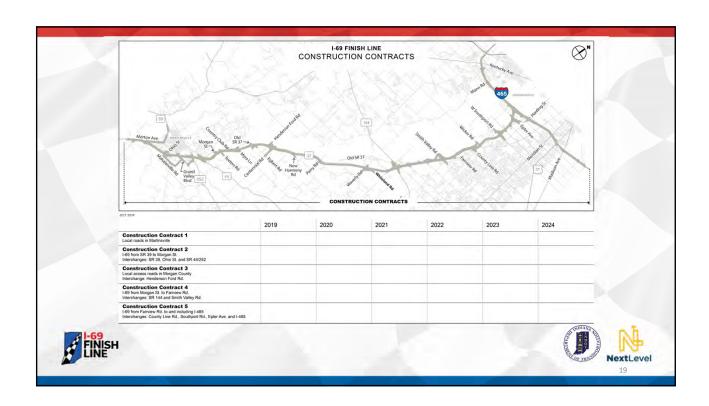

- I-69 Fairview Rd. to I-465; I-465 from I-70 to I-65
- Expected Letting: Fall 2020
- Construction: 2021, 2022, 2023 and 2024
- Interchanges
  - County Line Rd.
  - · Southport Rd.
  - Epler Ave.
  - I-465

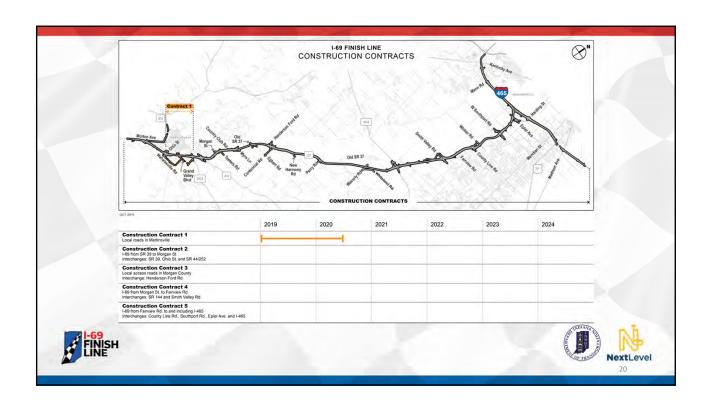

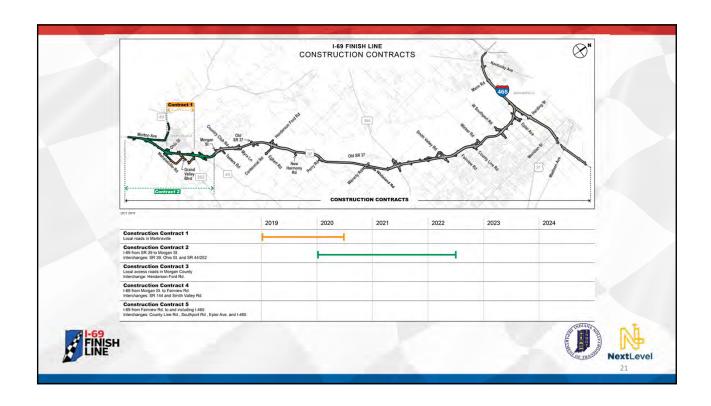

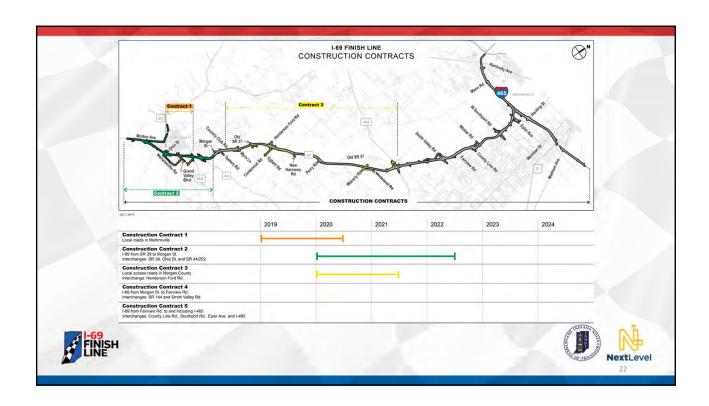

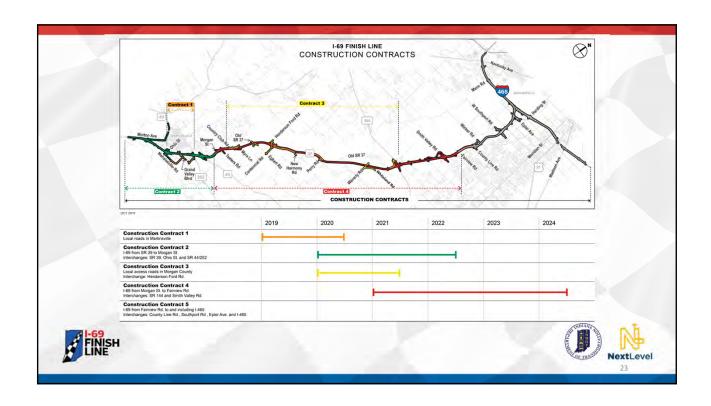

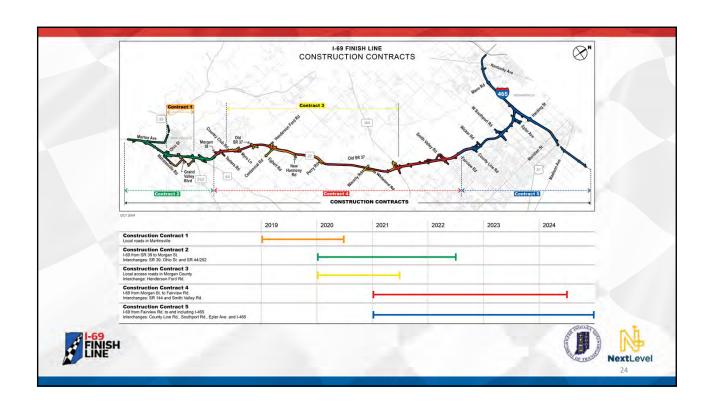

### Refinements

- Design refinements since FEIS in February 2018
- Right-of-way
  - Very little change in impacts
  - Only 2.7 additional acres in right-of-way
  - Two fewer relocations
- Key areas
  - Myra Lane overpass
  - Interchange configurations

Reevaluation Statement #3

### **Myra Lane Overpass**

- Changed from an underpass to an overpass
- Generates excess soil to be used in the project, reducing costs
- Lower construction and long-term maintenance costs with only one bridge constructed
- Reduces impacts to fishponds at Ozark Fisheries
- Grading and drainage on steep embankments

Henderson Ford Rd Original

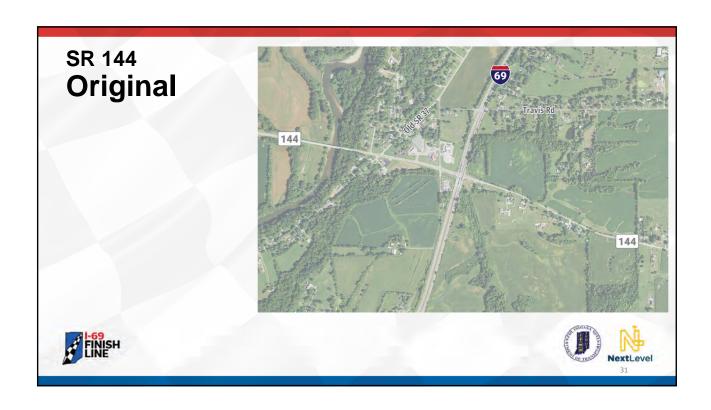

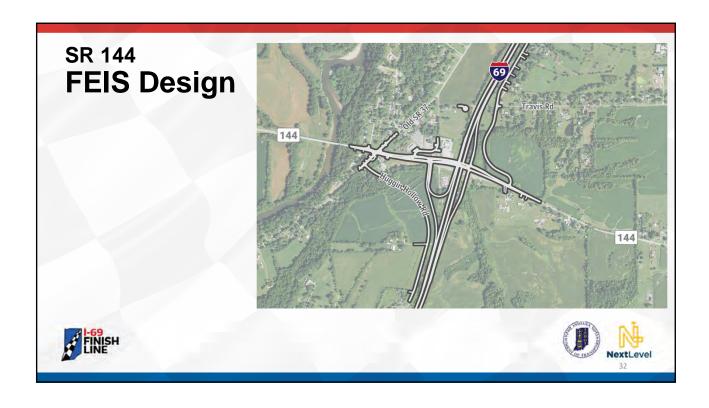

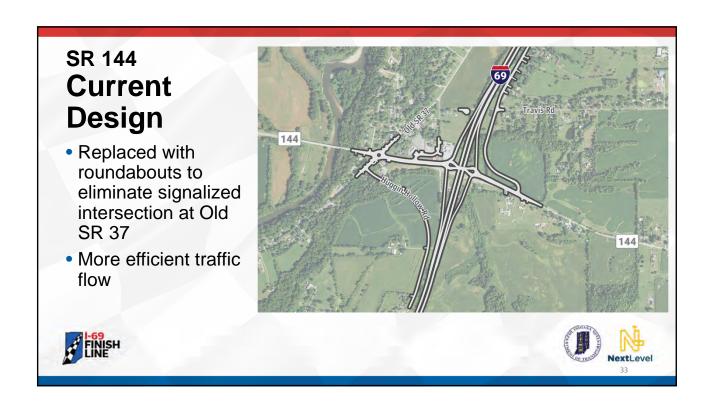

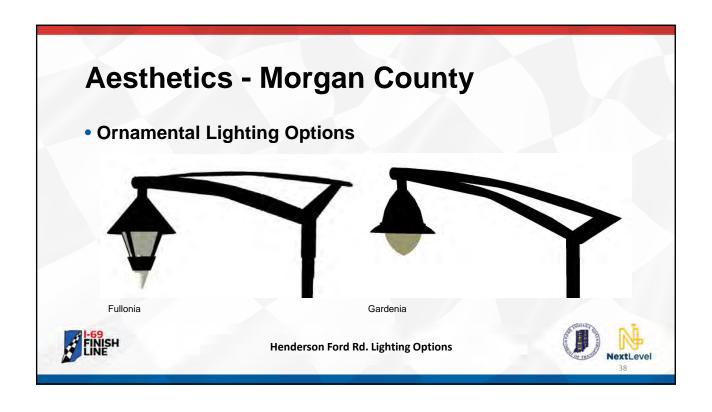

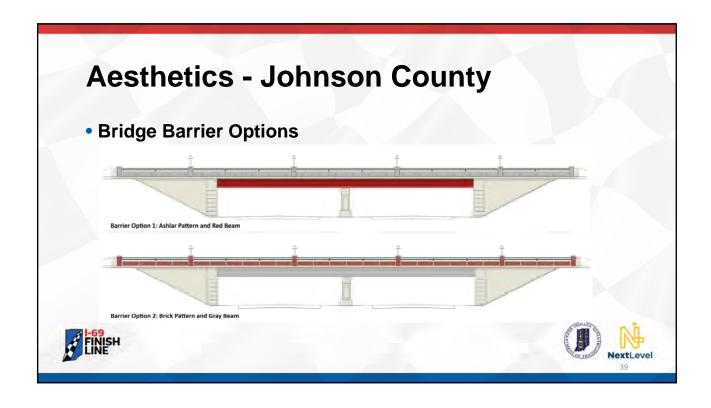

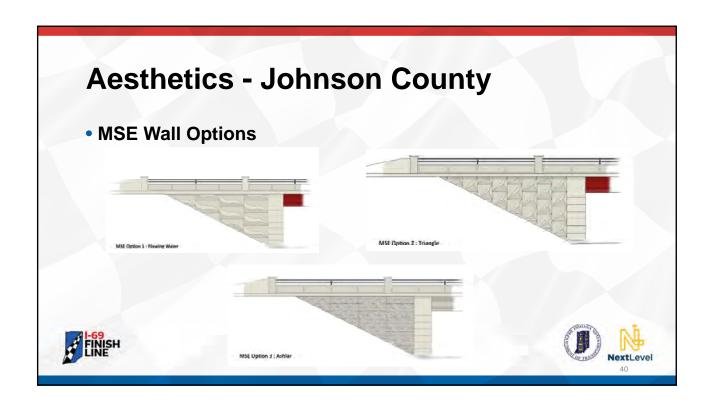

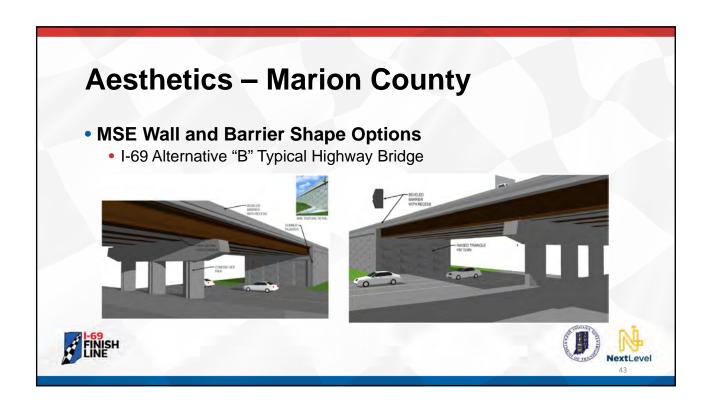

### **Noise Barriers**

- FEIS identified recommended noise barriers
- Surveys mailed to homes and businesses in the area
- Surveys are due November 8
- Maps available for review at noise barrier station

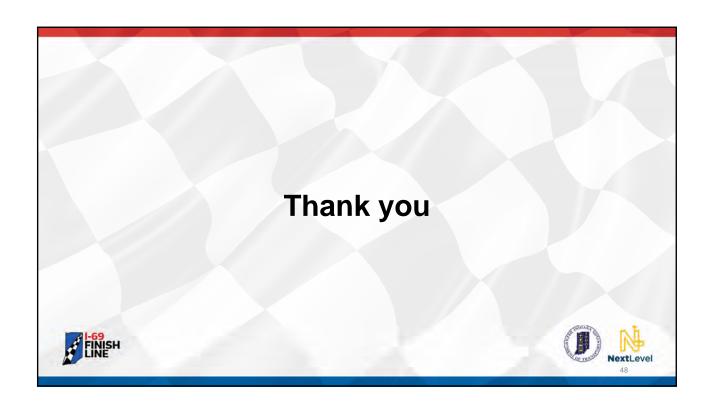

# Staying in Touch Figure 1.5 Staying in Touch

**C2: Meeting Handouts** 

### The finish line is in sight!

I-69 Finish Line is the sixth and final section of the Interstate 69 connection between Evansville and Indianapolis. It begins in Martinsville and ends in Indianapolis. Governor Holcomb's Next Level Connections program fully funded the \$1.5 billion project and accelerated construction by three years.

I-69 Finish Line is expected to open to traffic by the end of 2024.

### **An Important Final Connection**

I-69 Finish Line improvements are expected to improve safety, reduce travel time and open the door to new opportunities in the area.

### 1,300 fewer crashes

The improvements are expected to result in 1,300 fewer regional crashes each year.

The average time it takes to travel from Martinsville to Indianapolis is expected to be reduced by 11 minutes when I-69 is complete.

\$4.1 billion

The project is expected to generate \$4.1 billion in positive regional economic impact over 20 years.

### By the Numbers

26+ miles of new interstate highway

14 traffic signals eliminated

35+ lane miles of new local access roads

14 overpasses and underpasses constructed

39 new bridges

10 interstate access points established

35 existing bridges rehabilitated or replaced

### **I-465 Improvements**

I-69 will connect to I-465 at a new high-speed interchange west of the SR 37/Harding St. exit. New lanes will be added to I-465 on the southwest side of Indianapolis to improve safety and accommodate current and future traffic needs. The project will make improvements and add capacity to I-465 from approximately I-70 on the west side of Indianapolis to I-65.

### **Project Office**

7851 Waverly Rd. Martinsville, IN 46151 The project office is open Monday - Friday from 9 a.m. to 4 p.m. ET, and by appointment.

### ABOUT THE PROJECT

I-69 Finish Line is the sixth and final section of the Interstate 69 connection between Evansville and Indianapolis. It begins in Martinsville and ends in Indianapolis.

The project will upgrade the existing State Road 37 to interstate standards from Martinsville to Indianapolis.

The project will eliminate at-grade crossings, construct overpasses and underpasses, build local access road connections and introduce interstate access points throughout the corridor.

The I-69 extension is the realization of 75 years of studies and discussion about an improved, multi-lane highway connecting southwest Indiana.

When work is complete, I-69 will run continuously from the Canadian border at Port Sarnia, MI to Evansville, IN, with Indiana an important piece of the planned national corridor.

### TRAFFIC

- ➤ I-69 Finish Line is expected to open to traffic in late 2024, improving safety and reducing travel time.
- ➤ Highways will be widened to keep traffic flowing into the future. At least one lane will be added in each direction for I-69 from Smith Valley Road to I-465 and on the southwest leg of I-465 between I-70 and I-65.
- ➤ The average time it takes to travel from Martinsville to Indianapolis is expected to be reduced by 11 minutes when I-69 is complete.
- ➤ The improvements are expected to result in 1,300 fewer regional crashes each year.
- Traffic will access the new highway using entrance and exit ramps at 10 interchanges.
- New local roads will help provide access to neighboring homes and businesses.
- ➤ The project will improve bicycle and pedestrian connections across the highway.

### **ECONOMIC IMPACTS**

- Governor Holcomb's Next Level Connections program fully funded the \$1.5 billion project and accelerated construction by three years.
- The project is expected to generate \$4.1 billion in positive regional economic impact over 20 years.

### CONSTRUCTION

- Construction began in Martinsville in 2019 and the corridor will be delivered in five separate construction contracts.
- The last and largest contract includes improvements and added capacity to I-465 on the southwest side of Indianapolis from approximately I-70 to I-65.
- Crews will work to maintain access for residents and businesses as new traffic patterns are put in place.

### BY THE NUMBERS

- ➤ More than 26 miles of new interstate highway will be constructed as part of I-69 Finish Line.
- ➤ More than 35 new lane miles of local access roads will be built.
- ▶ I-69 Finish Line includes 39 new bridges and 35 existing bridges will be rehabilitated or replaced.
- ➤ I-69 Finish Line will eliminate 14 traffic signals, leading to a faster and more efficient commute.
- ➤ The project includes 14 new overpasses and underpasses.
- ➤ Crews will lay more than 3 million square yards of new pavement.

  That would equate to pavement covering about 469 football fields.
- ➤ Enough dirt and stone will be excavated and moved to fill Bankers Life Fieldhouse more than 20 times. That's nearly 3 million pickup truck loads.

Noise barriers are proposed at several locations along I-465 and the new I-69.

**C3: Meeting Boards** 

# INE IS IN SI THE FINISH

ends in Indianapolis. It's the sixth and final # I-69 Finish Line begins in Martinsville and section of the Interstate 69 connection between Evansville and Indianapolis.

Connections program fully funded the Governor Eric Holcomb's Next Level \$1.5 billion project and accelerated construction by three years.

traffic by the end of 2024, improving safety I-69 Finish Line is expected to open to and reducing travel time.

From: Indiana Department of Transportation <indot@subscriptions.in.gov>

**Sent:** Friday, October 18, 2019 10:30 AM

**To:** I-69S6Record

**Subject:** Meetings next week will provide I-69 updates

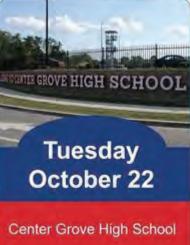

Having trouble viewing this email? View it as a Web page.

Three public meetings next week will provide an update on design refinements and the construction schedule for I-69 from Martinsville to Indianapolis. The public will be asked to view and provide input on aesthetics in their area including MSE retaining wall patterns, ornamental lighting, and bridge barriers.

Monday, Oct. 21
Martinsville High School
Cafeteria
1360 E. Gray St.
Martinsville, IN

Tuesday, Oct. 22 Center Grove High School Auditorium 2717 S. Morgantown Rd. Greenwood, IN

Thursday, Oct. 24
Perry Meridian High School
Auditorium
401 W. Meridian School Rd.
Indianapolis, IN

The meetings are 5:30 to 7:30 p.m., with a presentation at 6 p.m. The project team will host an open house with displays before and after the presentation.

Individuals needing auxiliary aids, large print materials or services of interpreters, signers, readers should contact Rickie Clark at 317-232-6601 or <a href="mailto:rclark@indot.in.gov">rclark@indot.in.gov</a> for special accommodations.

### RE: RESIDENT INPUT SURVEY AND INFORMATION MEETING

Dear Resident/Property Owner:

Indiana Department of Transportation (INDOT) is soliciting input from residents and property owners that would benefit from the construction of noise barriers for the Interstate 69 (I-69) Section 6 Project between Martinsville and Indianapolis in Johnson and Marion Counties. The project includes upgrading SR 37 to I-69 from Twin Branch Road to I-465 and making improvements to I-465 between Mann Road and US 31. Interchanges will be constructed at Henderson Ford Road, SR 144, Smith Valley Road, County Line Road, Southport Road, and Epler Avenue.

Noise barriers were determined to be feasible and cost effective at several locations along the corridor. Noise barriers may be constructed at six locations north of SR144. These locations include:

- 1. **Noise Barrier 7W** I-69 southbound across Stones Crossing Road.
- 2. Noise Barrier 9E I-69 northbound, north of Smith Valley Road to south of Fairview Road.
- 3. Noise Barrier 8W I-69 southbound, south Southport Road.
- 4. Noise Barrier 12E I-69 northbound, south of Southport Road
- 5. Noise Barrier 9W I-69 southbound, north of Southport Road to north of Banta Road.
- 6. Noise Barrier 4S I-465 eastbound, east of Bluff Road to US 31.

As part of the project development process, INDOT asks residents and property owners that would benefit from the construction of a noise barrier whether they want the barrier to be constructed. FHWA and INDOT will consider the feedback received before deciding whether to construct each noise barrier. If a majority (greater than 50%) of benefited landowners or residents do not respond a second survey may be required. INDOT needs your input on whether you want the proposed noise barrier constructed in your area. Please complete and return the enclosed survey card by November 8, 2019.

Meetings to discuss potential noise barriers will be held on October 22 and October 24, 2019. The project team will present INDOT's noise mitigation process and proposed noise barrier locations at both meetings. Project staff will be available to answer questions and solicit input from the public. **Your attendance and participation are encouraged at one of these meetings.**

### INDIANA DEPARTMENT OF TRANSPORTATION

100 North Senate Avenue Room N755 Indianapolis, Indiana 46204 PHONE: 855-INDOT4U 855-463-6848

Eric J. Holcomb, Governor Joe McGuinness, Commissioner

Two meetings will be held. The meetings are 5:30 to 7:30 p.m., with a presentation scheduled for 6 p.m.:

Tuesday October 22, 2019 Center Grove High School 4800 Stones Crossings Road W Greenwood, IN 46143 Thursday October 24, 2019 Perry Meridian High School 401 W. Meridian School Road Indianapolis, IN 46217

Doors will open at 5:30 p.m. both evenings with a presentation at 6:00 p.m. Members of the I-69 Section 6 project team will be available before and after the presentation.

Enclosed is a map showing the location(s) of proposed barrier(s) that is adjacent to your residence and a survey card. We request that you bring the survey card to one of the meetings or mail it to the address on the survey card by November 8, 2019. It is very important that you submit the survey postcard.

Comments can be submitted during the meetings via a comment form. After the meetings comments can be submitted until November 8 by emailing I-69 Section 6 at section6pm@indot.in.gov.

Special accommodations will be made for individuals needing auxiliary aids or services of interpreters, signers, readers or large print materials. Anyone with such needs should contact Rickie Clark with INDOT's Office of Public Involvement at 317-232-6601 or rclark@indot.in.gov.

We look forward to meeting with you on either October 22 or October 24. Should you have additional questions regarding these meetings, please contact the I-69 team at 1-855-INDOT4U (855-463-6848) or via e-mail at section6pm@indot.in.gov.

Thank you for your attention to and cooperation with this matter.

Sincerely yours,

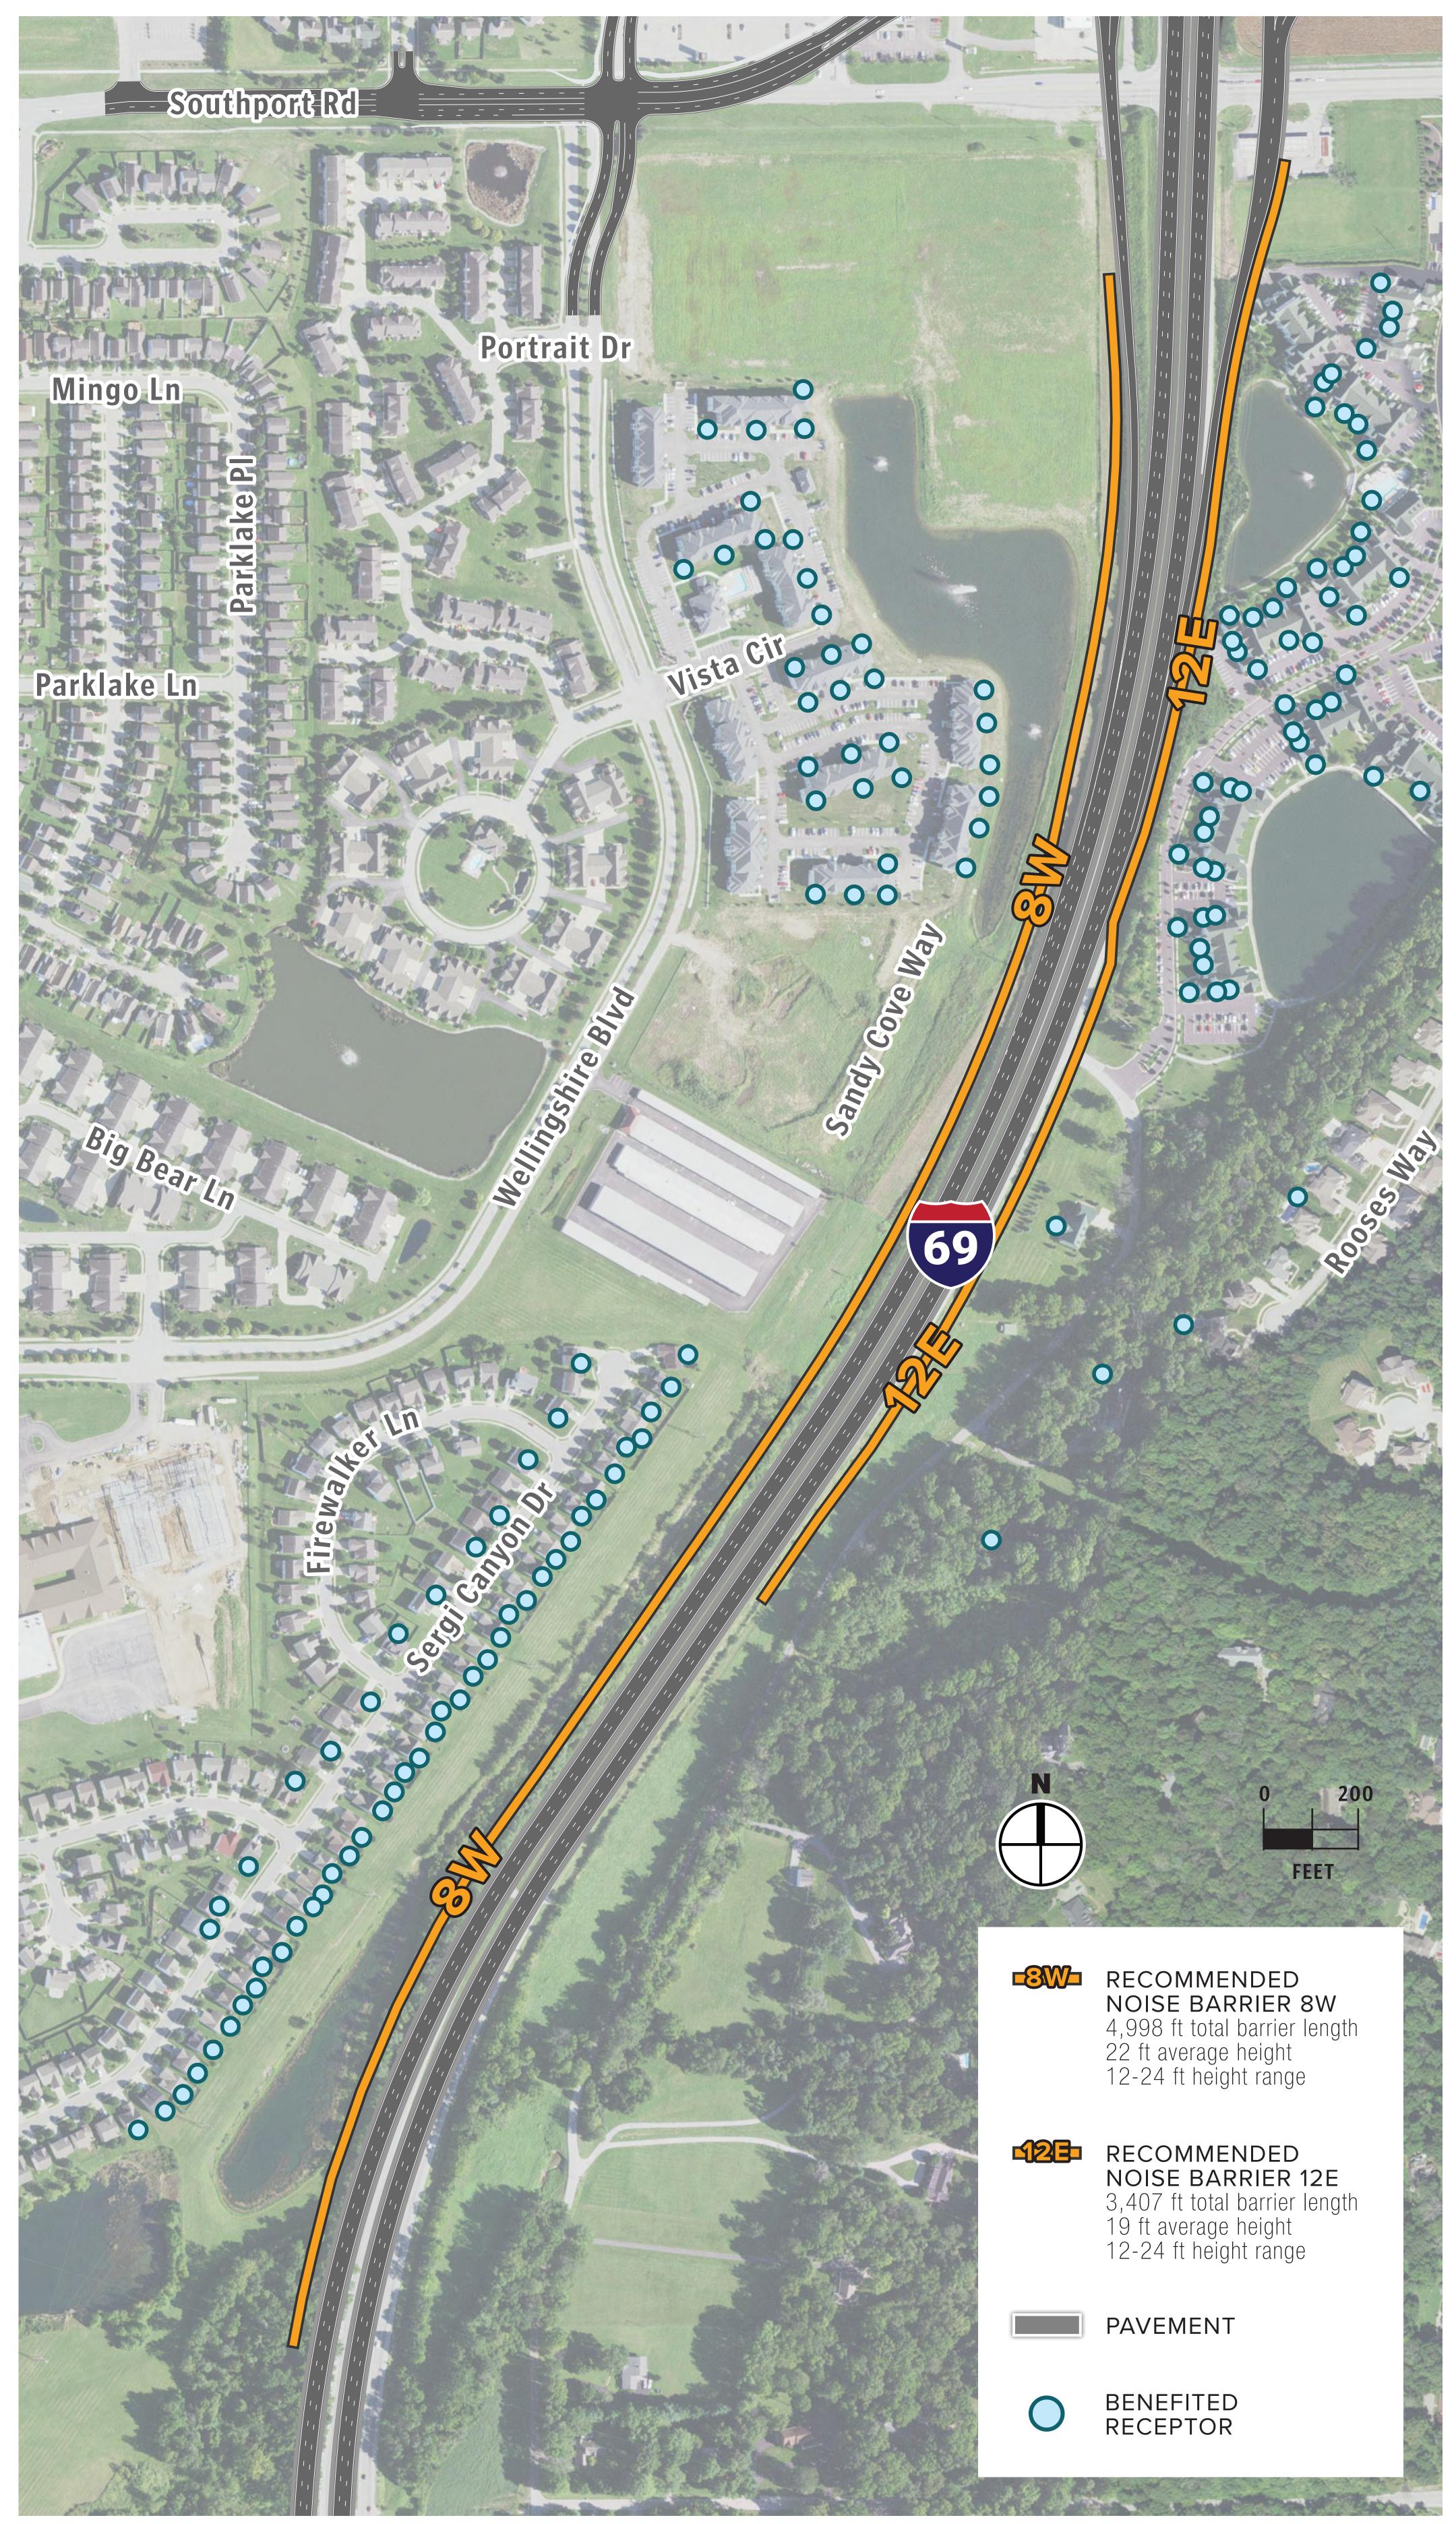

Sarah E. Rubin

### NOISE BARRIERS 8W and 12E

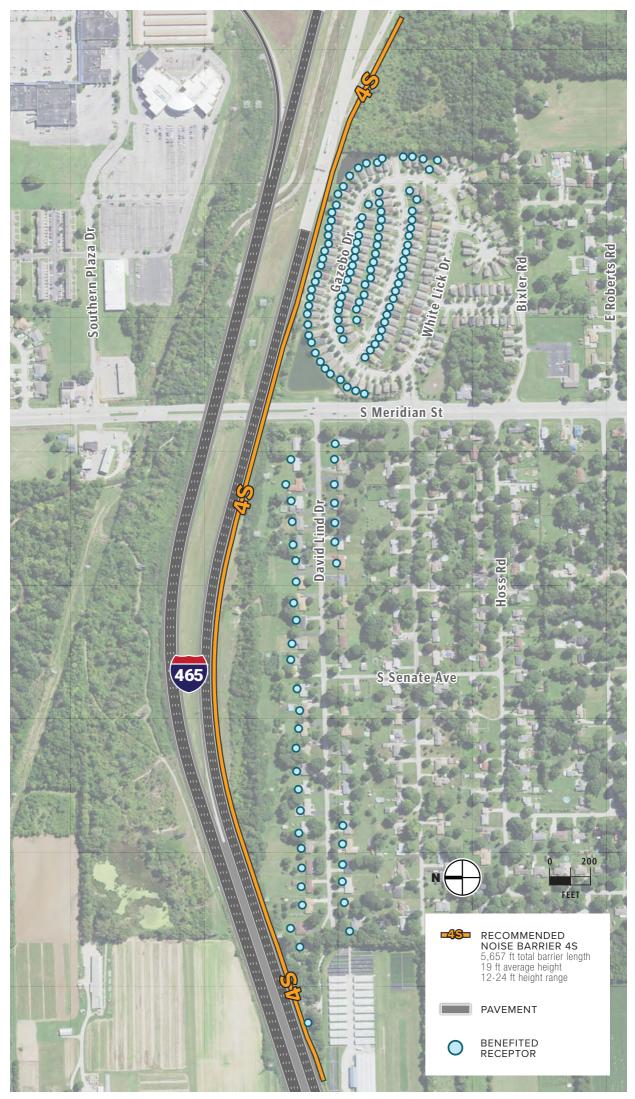

### **NOISE BARRIER 4S**

### **NOISE BARRIER 7W**

### **NOISE BARRIER 9E**

### **NOISE BARRIER 9W**

The Indiana Department of Transportation (INDOT) is soliciting input from residents and property owners that have been determined to benefit from the construction of noise barriers for the I-69 Section 6 Project in Johnson and Marion Counties. INDOT needs **your input** on whether you want the proposed noise barrier constructed.

Please return this survey by November 8, 2019.

For more information, project update meetings will be held from 5:30 p.m. to 7:30 p.m., with a presentation at 6:00 p.m.:

### Tuesday October 22, 2019

Center Grove High School
4800 Stones Crossing Road W, Greenwood

### Thursday October 24, 2019

Perry Meridian High School 401 W Meridian School Road, Indianapolis

Members of the I-69 Section 6 project team will be available before and after the presentation.

### Noise Barrier Survey Card Barrier — N1192

Thank you for completing this survey card. Please only fill out one card per household.

Rebecca Love
9936 Peddlers Way
Orlando, FL 32817-1828

Are you the property owner or tenant listed above?

Yes
No (If no, please add contact information below)

Contact information for address above, if different than printed (please print)

Your Name
Mailing Address

Property Address

Are you in favor of a noise barrier at your property or residence?
Yes, I want the noise barrier to be constructed.
No, I do not want the noise barrier to be constructed.
