

SR 37
MARTINSVILLE

2021
CLOSURE

WORKING FASTER, SAFER

**State Road 37
will be closed in
Martinsville for
most of 2021.**

The nearly 5-mile closure extends from SR 39 to Morgan Street.

Crews are building the future I-69 lanes that will connect Martinsville and Indianapolis.

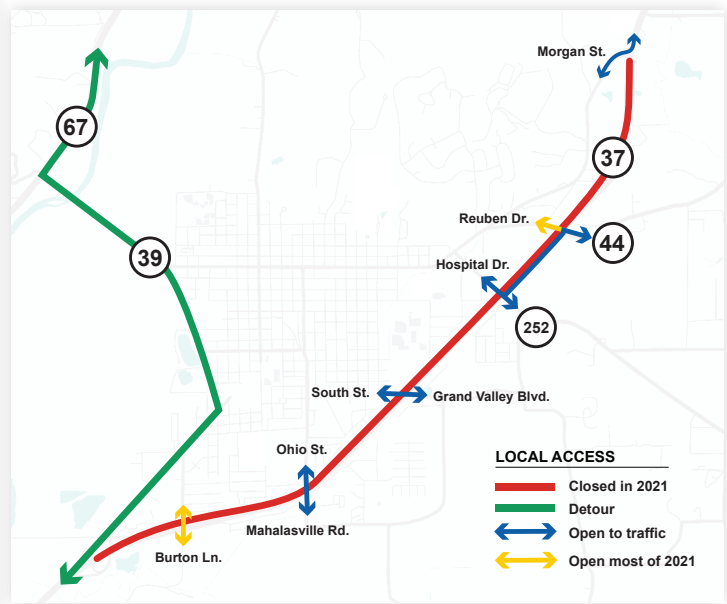

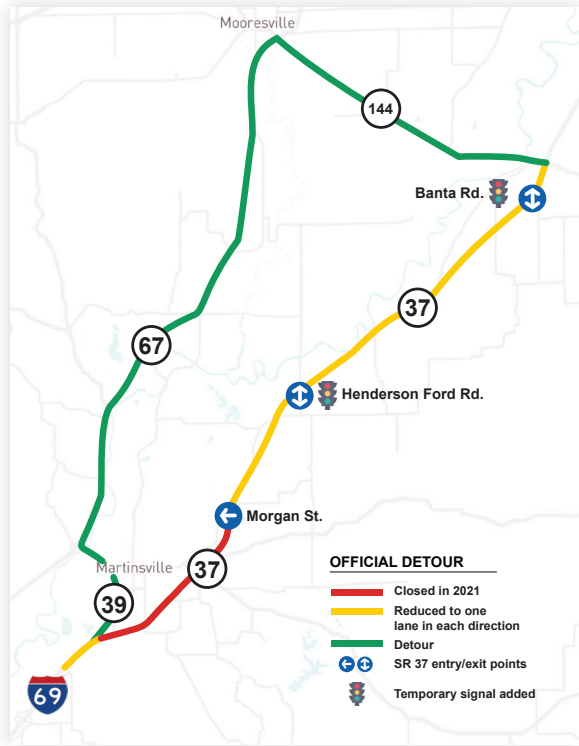

The full closure allows crews to work faster and safer, saving a full year of construction.

Updates, maps and more

Getting Around the Closure

Several roads remain open for local access in the area.
